

Номер документа 70-а-2100-99gc
 Название документа af:heater booster

Условное обозначение::

A1	Instrument cluster	3 A
A1e8	Instrument illumination	1 A
A1r1	Instrument illumination rheostat	1 A
A6	STH or HB heater unit	20 A
A6m2	Combustion air blower	17 D
A6r3	PTC-resistance flame monitor	16 D
A6r4	Glow pin flame monitor unit	16 D
B11/4	Coolant temperature sensor	8 L
B14	Ambient temperature display temperature sensor	6 A
F1	Fuse and relay box	16 L
F1	Fuse and relay box	23 L
F1	Fuse and relay box	25 L
F1	Fuse and relay box	27 L
F1	Fuse and relay box	29 L
F1f34	Fuse 34	25 K
F1f34	Fuse 34	27 K
F1f37	Fuse 37	16 K
F1f37	Fuse 37	29 K
F1f41	Fuse 41	23 K
K25/1	Antifreeze protection relay	32 A
M13/2	Auxiliary coolant pump (heater booster)	35 L
N3/9	CDI control module	11 L
S25/20	Antifreeze protection/heater booster	31 L
S4/3	Heater booster switch	18 L
U663	Both variants possible up to 10/99. Variant 2 in vehicle data card identified by control code J21. 100% variant 2 as of 11/99.	4 F
U663	Both variants possible up to 10/99. Variant 2 in vehicle data card identified by control code J21. 100% variant 2 as of 11/99.	12 F
U663	Both variants possible up to 10/99. Variant 2 in vehicle data card identified by control code J21. 100% variant 2 as of 11/99.	30 F
W1	Main ground (under control module)	19 H
W1	Main ground (under control module)	21 H
W1	Main ground (under control module)	35 D
X11/4	Data link connector	21 L
X26/30	Engine wiring harness/cockpit connector	4 H
X26/30	Engine wiring harness/cockpit connector	13 H
X26/30	Engine wiring harness/cockpit connector	30 H
X73/2	Coolant circulation pump connector	34 H
Y23	STH or AUH fuel metering pump	20 L
Z37/2	CAN engine bus (low) connector sleeve - engine compartment	2 J
Z37/3	CAN engine bus (high) connector sleeve - engine compartment	3 J
Z37/4	Engine CAN bus (low) connector sleeve- interior	11 H

Позиция:

Номер документа 70-2100-99gc

Название документа af:heater booster

Условное обозначение::

Z37/5 Engine CAN bus (high) connector sleeve- interior
Z7/50 Circuit 30 connector sleeve (feed from fuse F1f34)
Z70 Diagnostic socket pin 1 connector sleeve
Z81 Circuit 58d connector sleeve
Z81 Circuit 58d connector sleeve

Позиция:

10 H
24 H
20 H
1 H
16 H
